

Camp Butano Creek Pre-Camp Staff Equipment & Clothing List

Remember: Camp Butano Creek is near the ocean; mornings can be cold & damp—drizzle and even rain are a possibility. Please equip yourself accordingly. Pack enough shirts, socks, and underwear so that you have enough for each day plus an extra set.

Label absolutely everything with your camp name.

Luggage: Recommend soft-sided duffels or bags (they pack more compactly) that you can carry yourself. Sorry, no bell-hops at this fine resort!
