Please do not send your camper with hard sided suitcases. **LABEL EVERYTHING WITH CAMPER'S NAME.** Pack one complete outfit for each day, the camp does not have laundry facilities.

Helpful advice: When packing for camp, think of your camper, if they tend to be cold pack extra warm things. Pack enough shirts, socks, and underwear so your child has enough for each day and an extra. Please bundle outfits together for each individual day, so it is easier for them to get ready in the morning. This can be done by putting a set of clothes (pants, shirt, socks and underwear) in a gallon-sized zip-lock bag and labeled as "shorts & t-shirt" or "long sleeved / long pants". It is best to put all bottles containing liquid (shampoo, liquid soap, sunscreen) in plastic bags for traveling. While at camp it is easier if your camper has something to carry their bathroom supplies in; mesh bags work well. Attach a packing list inside your camper's bag to help them pack at the end of the session. For younger campers pre-address and stamp envelopes for letters. Have your camper pack their bags with you.
