# Patriotic Songs

## **America (My Country Tis of Thee)**

My country! 'tis of thee,  
Sweet land of liberty,  
Of thee I sing;  
Land where my father's died,  
Land of the pilgrims' pride,  
From every mountain side  
Let freedom ring.

My native country, thee,  
Land of the noble free,  
Thy name I love;  
I love thy rocks and rills,  
Thy woods and templed hills,  
My heart with rapture thrills  
Like that above.

Let music swell the breeze,  
And ring from all the trees,  
Sweet freedom's song;  
Let mortal tongues awake,  
Let all that breathe partake,  
Let rocks their silence break,  
The sound prolong.

Our fathers' God to thee  
Author of Liberty,  
To thee we sing;  
Long may our land be bright  
With freedom's holy light,  
Protect us by thy might,  
Great God, our King.

## **America the Beautiful**

O, beautiful for spacious skies  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain.  
America! America! God shed his grace on thee,

And crown thy good with brotherhood  
From sea to shining sea.

O, beautiful for pilgrim feet,  
Whose stern impassioned stress,  
A thoroughfare for freedom beat,  
Across the wilderness!  
America! America! God mend thine every flaw,  
Confirm thy soul in self-control,  
Thy liberty in law

O, beautiful for heroes proved  
In liberating strife  
Who more than self their country loved  
And mercy more than life!  
America! America! May God thy gold refine,  
Till all success be nobleness,  
And every gain divine!

O, beautiful for patriot dream,  
That sees beyond the years,  
Thine alabaster cities gleam,  
Undimmed by human tears.  
America! America! God shed his grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea.

## **God Bless America**

God Bless America,  
Land that I love.  
Stand beside her, and guide her  
Thru the night with a light from above.  
From the mountains, to the prairies,  
To the oceans, white with foam  
God bless America, My home sweet home.

## **Star Spangled Banner**

O say can you see by the dawn's early light,  
What so proudly we hailed at the twilight's last  
gleaming?

Whose broad stripes and bright stars through  
the perilous fight,  
O'er the ramparts we watched were so gallantly  
streaming.  
And the rockets' red glare the bombs bursting  
in air,  
Gave proof through the night that our flag was  
still there!  
O say does that star-spangled banner yet wave  
O'er the land of the free and the home of the  
brave?

## **This Land is Your Land**

*Chorus:*

This land is your land. This land is my land  
From California to the New York Island,  
From the Redwood Forest to the Gulf Stream  
waters,  
This land was made for you and me.

As I went walking that ribbon of highway,  
I saw above me, that endless skyway.  
I saw below me that golden valley (or name of  
town where you are).  
This land was made for you and me.

I roamed and rambled and I followed my  
footsteps  
To the sparkling sands of her diamond deserts.  
All around me, this voice was saying  
This land was made for you and me.

*Chorus*

I followed your low hills and I followed your cliff  
rims  
Your marble canyons and sunny bright waters.  
I could see around me and feel inside me.  
This land was made for you and me.

As I went traveling that ribbon of highway  
I saw a sign that said "No Trespassing"  
But on the other side it didn't say nothing.  
This land was made for you and me.

*Chorus*

When the sun came shining than I was strolling  
And the wheat fields waving and the dust  
clouds rolling  
This voice was saying as the fog was lifting  
This land was made for you and me.

## **You're A Grand Old Flag**

You're a grand old flag  
You're a high flying flag  
And forever in peace may you wave.  
You're the emblem of  
The land I love  
The home of the free and the brave.  
Every heart beats true for the red, white, and  
blue  
Where there's never a boast or brag.  
Should an old acquaintance be forgot,  
Keep your eye on the grand old flag.

May we always try to do  
As we promised, duty true.

## Announcements

Announcements, announcements,  
announcements!  
What a horrible way to die,  
What a horrible way to die,  
What a horrible way to be talked to death,  
What a horrible way to die.

Have you ever seen a windbag,  
A windbag, a windbag,  
Have you ever seen a windbag,  
A windbag like her (*point at leader*).

Make your speeches nice and short,  
Nice and short, nice and short,  
Make your speeches nice and short,  
We don't like them!

The window, the window,  
The second story window!  
With a heave ho and a mighty throw,  
They threw her out the window!

We sold our cow, we sold our cow,

We have no use, for your bull now.

One little, two little, three little announcements  
Four little, five little, six little announcements  
Seven little, eight little, nine little  
announcements  
Ten little announcements more.

Rent a nag, rent a nag, rent a nag today,  
Our directors are the best in each and every  
way, Hey!

## Apples and Bananas

I want to eat, eat, eat, eat,

## Baby Bumble Bee

I'm bringing home my baby bumble bee,  
Won't my mommy be so proud of me,  
I'm bringing home my baby bumble bee,  
Ouch! It stung me.

I'm squishing up my baby bumble bee...  
Oh! What a mess!

I'm licking up my baby bumble bee...  
Oh! I feel sick!

I'm barfing up my baby bumble bee,  
Oh! What a mess!

I'm mopping up my baby bumble bee,  
Now my mommy likes that!

## Backwards Song

Well I walked up the door and I opened the  
stairs  
Said my pajamas and I put on my prayers.  
Turned off the bed and jumped into the light

All because he kissed me good night!

Well, I woke up next morning and I scrambled  
my shoes  
Shined up an egg and I toasted the news  
Buttered my tie and took another bite  
All because he kissed me never could resist me  
All because he kissed me Good night!

## Banana Slug Song

*(sung to the tune of Twist & Shout)*

|                         |                                  |
|-------------------------|----------------------------------|
| Words:                  | Motions:                         |
| Baaaaaaaa               | <i>(beating your tummy)</i>      |
| Naaaaaaaa               | <i>(beating your chest)</i>      |

Baaaa Naa Nuh Slug, Ba, Ba, Ba, Ba, Ba, Ba, Ba  
Baaaa Naa Nuh Slug, Ba, Ba, Ba, Ba, Ba, Ba, Ba

You know I love my baby (love my baby)  
I love the way that she hugs (way that she hugs)  
Some people don't understand it (don't understand it)  
She's a banana slug (banana slug)

He's got just one foot  
He ain't got no toes  
He hangs out in the forest  
And helps it decompose.

*Chorus*

The way you wiggle your antenna  
You know you give me such bliss  
Come on come on come on banana slug  
Won't you blow me a kiss.

The way you slide through the forest  
You know you look so fine  
Come on come on come on banana slug  
Won't you show me your slime.

*Chorus*

You know I love my baby  
But he don't need me  
That's because he's hermaphroditic  
That means he's also a she!

Sticky as peanut butter  
Shades of yellow  
Looks like banana  
But oh so mellow!

Shake it up baby  
Twist and slime  
Come on come on come on banana slug  
Oh you slime so fine.

*Chorus*

## Bazooka Bubblegum

My Mom gave me a penny  
She said go eat at Denny's  
But I didn't eat at Denny's  
Instead I bought some bubblegum,  
Bazooka Zooka bubblegum

Bazooka Zooka bubblegum.

My Mom gave me a nickel  
She said go buy a pickle...

My Mom gave me a dime  
She said go buy a lime...

My Mom gave me a quarter  
She said go buy some water...

My Mom gave me a one  
She said go have some fun...  
-or-

My Mom gave me a dollar  
She said go buy a collar...

My Mom gave me a two  
She said go buy a shoe...

My Mom gave me a five  
She said go stay alive  
But I didn't stay alive  
Instead I choked on bubblegum...

## **The Bear (repeat song)**

The other day  
I met a bear  
Out in the woods  
Oh way out there

He looked at me  
I looked at him  
He sized up me  
I sized up him.

He says to me  
Why don't you run?  
I see you ain't  
Got any gun.

And so I ran  
Away from there.  
But right behind  
Me was that bear.

Ahead of me,  
There was a tree.  
A great big tree,  
Oh glory be!

The nearest branch  
Was 10 feet up.  
I'd have to jump  
And trust my luck.

And so I jumped,  
Into the air.  
But I missed that branch  
On the way up there.

No don't you fret,  
And don't you frown.  
'Cause I caught that branch  
On the way back down.

This is the end,  
There ain't no more.  
Unless I meet,  
That bear once more.

## Birdie Song

Way up in the sky, the little birds fly  
While down in the nest, the little birds rest.  
With a wing on the left, and a wing on the right,  
The little birds sleep, all through the night.

THE BRIGHT SUN COMES UP  
THE DEW FALLS AWAY

One year older and wiser too-ooooo!  
Happy Birthday (*clap*) to you!

## Black Socks (R)

Black socks they never get dirty  
The longer you wear them the blacker they get.  
Someday I think I shall wash them  
But something inside me says don't do it yet.  
Not yet, Not yet, Not yet.

Boy Scouts, they never get smarter  
The long you teach them  
The dumber they get.  
Someday, I think I shall marry one,  
Something keeps telling me,  
Don't do it yet!

Not yet, Not yet, Not yet.

Girl Scouts, they never shut up,  
The more that you shush them,  
The louder they get.  
Someday, I think I shall tape their mouths,  
Something keeps telling me,  
Don't do it yet!  
Not yet, Not yet, Not yet.

Thin Mints, they only come once a year  
Buy some and freeze them,  
They're not in the stores.  
Thin Mints, they're so very tasty  
The more that you eat them  
The more you want more  
And more and more and more.

I've something in my pocket that I found behind a log.  
My leader said to put it back but I want to keep this frog.  
It's cool and green and slimy and it wiggles in my hand.  
I've also got a wooly worm and a pocket full of sand.

## **Brownie Smile Song**

I've got something in my pocket  
That belongs across my face,  
I keep it very close at hand  
In a most convenient place.  
I'm sure you couldn't guess it  
If you guessed a long, long while.  
So I'll take it out and I'll put it on,  
It's a great big brownie smile!

Gee Mom, I wanna go,  
But they won't let me go,  
Gee Mom, I wanna go home.

The bathrooms.....

But when you go to use them,  
You need the 409.

*Chorus*

The donuts...  
But one rolled off the table,  
And killed a friend of mine.

*Chorus*

The leaders...  
But when they take their makeup off,  
They look like Frankenstein.

*Chorus*

First Aiders...  
No matter what ails you,  
They treat it with iodine.

They leak all the time.

Mountain girls just hike along the trail,

Landlord throw you out in the snow.

Oh, Rufus Rafus Johnson Brown,

Whatcha gonna do when the rent comes

## Do Your Ears Hang Low

Do your ears hang low;  
Do they wobble to and fro?  
Can you tie 'em in a knot;  
Can you tie 'em in a bow?  
Can you throw 'em over your shoulder,  
Like a continental soldier?  
Do you ears hang low?

Do your ears hang high;  
Do they point up to the sky?  
Do they wrinkle when they're wet,  
Do they straighten when they dry?  
Can you signal to your neighbor  
With the minimum of labor,  
Do your ears hang high?

### Action

*Start with placing your hands on the side of your head (with your thumbs touching your ears) like a dog with floppy ears. Act out rolling and tying a bow and then salute like a soldier.*

Oh I ran around the corner and

I ran around the block and  
I ran right into a donut shop

I handed the lady a five cent piece.  
Well she looked at the nickel and  
She looked at me and  
She said this money isn't good you see  
There's a hole in the nickel and  
It goes right through and  
I said there's a hole in the donut too!  
Thanks for the donut bye, bye!

On Saturday night as I ride into town  
On a short legged pony with my hat pulled way  
down  
But the boys don't like duck girls, I can't figure  
why  
No cowgirl could be more romantic than I

*Chorus*

There's danger, adventure and romance I know  
From a waddlin' stampede to a duck rodeo  
But there's loneliness too and it cuts to the

always alone

*Chorus*

Yes I'll be a duck girl till the end of my days  
Yeehaw! Quack!

The duck said "I'll pass".  
Then he waddled away. Waddle Waddle

Till the very next day.  
When the duck walked up to the lemonade  
stand  
And he said to the man running the stand

Till the very next day.  
When the duck walked up to the lemonade

And he said to the man that was running the  
stand  
Hey. Bum bum bum. Got any grapes?  
The man said look, this is getting old.  
Lemonade's all we've ever sold.  
Why not give it a go?  
The duck said "No."  
Then he waddled away, waddle, waddle.

Till the very next day.  
 When the duck walked up to the lemonade  
 stand  
 And he said to the man that was running the  
 stand  
 Hey. Bum bum bum. Got any grapes?  
 The man said THAT'S IT!!  
 If you don't stay away, duck,  
 I'll glue you to a tree and leave you there all  
 day, stuck.  
 So don't get to close!  
 The duck said Adios.  
 Then he waddled away, waddle waddle waddle.

Till the very next day.  
 When the duck walked up to the lemonade  
 stand  
 And he said to the man that was running the  
 stand  
 Hey. You got any glue?  
 What?  
 You got any glue?  
 No, why would I— Oh!  
 Then one more question for you:  
 Got any grapes?  
 And the man just stopped.  
 Then he started to smile.  
 Then he started to laugh.  
 He laughed for a while.  
 Then he said, "Come on duck, let's walk to the  
 store.  
 I'll buy you some grapes so you won't have to  
 ask anymore."  
 So they walked to the store and the man  
 bought some grapes.  
 He offered one to the duck and the duck said  
 "No thanks".  
 "But you know what sounds good?  
 It would make my day.  
 Do you think this store, do you think this store,  
 do you think this store...  
 has any... lemonade?"  
 Then he waddled away, waddle waddle waddle.

## Geoduck

(pronounced "gooey duck")  
You can hear the diggers say as they head out  
for the bay,  
Oh I gotta dig a duck, gotta dig a duck a day.  
For I get a buck a duck if I dig a duck a day,  
So I gotta dig a duck, gotta dig a duck a day.

*Chorus:*  
Dig a duck, dig a duck, dig a geoduck,  
Dig a duck, dig a geoduck, dig a duck a day.  
Dig a duck, dig a duck, dig a geoduck,  
Dig a duck, dig a geoduck, dig a duck a day.

Well it takes a lot a luck and a certain kind of  
pluck  
Just to dig around the muck just to get a  
geoduck.  
For he hasn't got a front, and he hasn't got a  
back,  
And he doesn't know Donald and he doesn't go  
QUACK!

*Chorus*

## Glad to Have a Friend Like You

Bill told Jill that it was lots of fun to cook.  
Jill told Bill that she could bait a real fish hook.  
So they made ooey-gooey chocolate cake  
Sticky-licky sugar top and they goobled and  
giggled.  
And they sat by the river and they fished in the  
water  
and they talked as a squirmy wormy wiggled.

*Chorus:*

Singin',  
glad to have a friend like you  
Fair and fun and skippin' and free  
Glad to have a friend like you  
And glad to just be me

Peg told Greg she liked to make things out of  
chairs  
Greg told Peg sometimes he still hugged teddy  
bears  
So they sneaked in the living room and piled all  
the pillows up  
And made it a rocket ship to fly in  
And the bears were their girls and boys  
And they were the astronauts  
Who lived on the moon with one pet lion.

*Chorus*

Pearl told Earl that they could do a secret code.  
Earl told Pearl there was free ice-cream when it  
snowed.  
So they sent funny letters that contained  
myst'ry messages  
And nobody knew just how they made it.  
And they raised up the window  
And they scooped all the snow together,  
Put milk and sugar in and ate it.

*Chorus*

## Hippo Smile Song

What can make a hippopotamus smile?  
What can make him walk for more than a mile?  
It's not a party with paper hats  
Or cake and candy that make him fat  
That's not what hippos do.

They ooze in the gooze without any shoes  
They wade in the water 'til their lips turn blue.  
That's what makes a hippopotamus smile.

What can make a hippopotamus smile?  
What can make him walk for more than mile?  
It's not a tune on the 'ol violin  
Or listening to the whistling wind.  
That's not what hippos do.

They ooze in the gooze without any shoes  
They wade in the water 'til their lips turn blue.  
That's what makes a hippopotamus,  
That's what makes a hippopotamus,  
That's what makes a hippopotamus smile.

That dances in the sun  
So joyously it calls to me  
Come join my happy song

*Chorus*

I wave my hat to all I meet  
And they wave back at me  
And blackbirds call so loud and clear  
From every greenwood tree

*Chorus*

Oh, may I go a-wandering  
Until the day I die  
And may I always laugh and sing  
Beneath God's clear blue sky.

Make new friends,  
but keep the old.  
One is silver,  
the other is gold.

A circle is round,

it has no end.  
That's how long,  
I want to be your friend.

A fire burns bright,  
it warms the heart.  
We've been friends,  
from the very start.

You have one hand,  
I have the other.  
Put them together,  
We have each other.

Silver is precious,  
Gold is too.  
I am precious,  
and so are you.

You help me,  
and I'll help you  
and together  
we will see it through.

The sky is blue  
The Earth is green  
I can help  
to keep it clean

Across the land  
Across the sea  
Friends forever  
We will always be

## Me & My Dinosaur

One day when the weather was cloudy and gray  
And I wished someone would come over and  
play

I heard a knock, knock and I opened the door,  
And there stood the loveliest big dinosaur!

*Chorus:*

Me and my dinosaur,  
I've never had such a friend before  
As big as a house, twenty time and a half  
And 50 miles taller than any giraffe

Legs long as sequoia trees  
Teeth big as piano keys  
No two people are buddies more than  
Me and my dinosaur.

I brought out some cookies and we had a snack.  
And he said he'd give me a ride piggy back.  
I started to crawl from his tail to his cheek,  
And without stopping once took a year and a  
week!

*Chorus*

We hop scotched to Africa quick as a breeze.  
Went leapfrogging over the coconut trees.  
And when we got thirstier, mile after mile.  
He took one big gulp and he drank up the Nile!

*Chorus*

## She Wears a G

She wears a G for generosity.  
She wears an I for interest, too.  
She wears an R for real sportsmanship.  
She wears an L for loyalty, for loyalty!  
She wears an S for her sincerity.  
She wears a C for courtesy.  
She wears an O-U-T for outdoor life, outdoor  
life.  
And that Girl Scout is Me!

## Sing Me a Rainbow

*Chorus:*

Sing me a rainbow, paint me a dream.  
Show me a world that I've never seen.  
Whisper a sunset and when you do,  
You'll know how I feel  
I say you'll know how I feel,  
You'll know how I feel when I'm with you.

You walked in my life on such an ordinary day.  
But it's been extraordinary since you've come  
my way.  
There's nothing in this world that I can't do,  
As long as you continue you to...

*Chorus*

You brought something special to a life that was  
so plain.  
Feelings that you turned me onto I just can't  
explain.  
Something happens when I'm with you  
And I just can't wait to hear you...

*Chorus*

## Singin In the Rain

Take it out, chhh, chhh  
Take it out, chhh, chhh  
Take it out, chhh, chhh  
Remove it!

Well I didn't take it out  
And the little skunk said "If you don't take it out  
you'll wish you were dead"  
Take it out, chhh, chhh  
Take it out, chhh, chhh  
Take it out, chhh, chhh  
Remove it!

Well I didn't take it out  
And the little skunk said "shhhhhhhhhhhhh"  
"Now you really wish you were dead!"

## Taps (fun version)

Day is done, gone the sun,  
From the lakes, from the hills, from the skies.  
All is well, safely rest, God is nigh.

Now run along home, and jump into bed,  
Say your prayers and lay down your head,  
The very last thing, I say unto you is  
You dream of me and I'll dream of you.

Doin' the Tennessee wiggle walk.

Put your heels together and your knees apart  
Snap your fingers, ready to start,  
Flap your wings just for luck  
Then wiggle and wobble like a baby duck.  
Come dance with me baby keep your toes in  
time

## Three Bears

Once upon a time in a nursery rhyme  
There were the three bears  
t-cha, t-cha, t-cha  
They all went a-walkin' in the woods and a-talkin'  
And along came a little girl with long, flowin' curly hair  
Her name was Goldie Locks and up upon the door she knocked  
She didn't care that no one was there  
SHE WALKED RIGHT IN  
Home came those three bears  
"Someone's been eatin' my porridge!"  
Said the Mama Bear, said the Mama Bear  
"Someone's been eatin' my porridge!"  
Said the Papa Bear, said the Papa Bear  
"Hey pop-a-re-bear," said the lil' wee bear,  
"SOMEONE HAS BROKEN MY CHAIR-HUH!"  
Goldie Locks she woke up, she broke up the party  
She beat it out of there  
She beat it out of there  
"Bye-bye, bye, bye, bye!"  
Said the Mama Bear, said the Mama Bear  
"Bye-bye, bye, bye, bye!"

## Three Little Angels

Three little angels,  
All dressed in white,  
Trying to get to heaven  
On the end of a kite.  
The kite it broke,  
And then they all fell.  
Instead of going to heaven  
They all went to...

Two little angels,  
All dressed in white,  
Trying to get to heaven  
On the end of a kite.  
The kite it broke,  
And then they all fell.  
Instead of going to heaven  
They all went to...

One little angel,  
All dressed in white,  
Trying to get to heaven  
On the end of a kite.  
The kite it broke,  
And then he fell.

All dressed in red,  
Trying to get to heaven  
On the end of a thread.  
The thread it broke  
And then they all fell.  
Instead of going to heaven  
They all went to...

One little devil,  
All dressed in red,  
Trying to get to heaven  
On the end of a thread.  
The thread it broke  
And then he fell.  
Instead of going to heaven  
He went to...

Now don't get worry,  
Don't lose your head.  
Instead of going to heaven  
They all went to bed!

## Toast

Everywhere I go from coast to coast,  
People always ask me what I like most.  
I don't want to brag,  
I don't want to boast,  
I just say, I like toast.  
Yeah, toast.  
Make toast.  
There's no secret to toast perfection,  
There's a dial on the side, make a selection.  
Light or dark, crispy or brown,  
If it comes up to early, you can push it back  
down.  
Yeah toast.  
Make toast.  
Word, to your butter.

## Quieter Songs

### **Aloha**

Aloha my friend  
We'll see you again  
Around the campfire on land or at sea  
Girl Scouts together we'll always be  
And though we may part  
You're friendship will live in my heart  
May God go with you to guide your way  
Aloha my friend.

### **Barges**

Out of my window looking in the night  
I can see the barges flickering light.  
Silently flows the river to the sea  
And the barges they go silently.

#### *Chorus:*

Barges, I would like to go with you  
I would like to sail the ocean blue.  
Barges, have you treasure in your hold  
Do you fight with pirates brave and bold?

Out of my window looking in the night  
I can see the barge's flickering light.  
Starboard shines green and port is glowing red  
You can see them flickering far ahead.

#### *Chorus*

How my heart longs to sail away with you  
As you sail across the ocean blue.  
But I must stay beside my window drear  
As I watch you sail away from here.

#### *Chorus*

Out of my window looking from my bed  
I can see the barges far ahead.  
Taking their cargo far across the sea  
Oh I wish that someday they'd take me.

### **Bring Me a Rose**

Bring me a rose in the winter time,  
When it's hard to find.  
Bring me a rose in the winter time,  
I've got roses on my mind.  
For a rose is sweet most anytime and yet,  
Bring me a rose in the winter time  
Oh how easy we forget.  
*(repeat above replacing underlined words with these:)*

Bring me a smile when I'm all alone,  
I've got smilin' on my mind.

Bring me a friend when I'm far from home.  
I've got friendship on my mind.

### **Butano Song**

Friendly gathering place  
Starlit skies above  
Redwood covered hills  
Outdoors that I love  
Butano, you're for me  
Girl Scout paradise  
Here we're truly free  
Tonight.

Wind in whispering woods  
Seagulls soaring high.  
Wooden cabins rise  
Against a deep blue sky.  
Butano, you're for me  
Girl Scout paradise.  
Here we're truly free  
Tonight.

### **Campfire's Burning**

Campfire's burning,  
Campfire's burning,

Draw nearer  
Draw nearer  
In the glowing  
In the glowing  
Come sing and be merry.

## Circle Game

Yesterday a child came out to wander  
Caught a dragonfly inside a jar  
Fearful when the sky was full of thunder  
And tearful at the falling of a star

*Chorus:*

And the seasons, they go round and round  
And the painted ponies go up and down  
We are captive on the carousel of time  
We can't go back, we can only look behind from  
    where we came  
And go round and round and round in the circle  
    game

Now the boy's gone ten times round the  
    seasons  
Skated over ten clear frozen streams  
Words like when your older must appease him  
And promises of someday make his dreams

*Chorus*

Sixteen springs and sixteen summers gone now  
Cartwheels turn to car wheels through the town  
And they tell him take your time it won't be  
    long now  
Before you drag your feet to slow the circle  
    down

*Chorus*

Years go by and now the boy is twenty  
Dreams have lost their grandeur of coming true  
But there'll be new dreams maybe better  
    dreams of plenty  
Before the last revolving here is through

*Chorus*

## Come Light up the Fire (R)

Come, come, light up the fire  
Come, come, join in the ring,  
Here find dreams to inspire  
Stories to tell  
Music to sing

## Come and Go

Come and go with me today,  
We shall sail across the bay,  
Come and go with me today,  
We shall sail across the bay.

*(For dismissal song...after "bay" head would  
    shout out a name of a unit)*

## Dreams

May all of your dreams bloom like daisies in the  
    sun,  
May you always have stars in your eyes,  
May you not stop running, not until your race is  
    run,  
And may you always have blue skies.

*(there are verses to this song, but I don't know  
    them)*

## Eagle

*(repeat song)*

Have you all seen the eagle?  
    All seen the eagle?  
Flying so high?  
    Flying so high?  
Circling the universe.  
    Circling the universe.  
On wings of pure light.  
    On wings of pure light.

## Flame of Friendship (R)

The flame of friendship  
Is like a fire  
It rises higher

As time goes by.

The flame of friendship  
Is like an ember  
It glows within us  
And does not die.

## Flicker

Flicker of the campfire, the wind in the pines.  
The moon in the heavens, the stars that shine.  
A place where people gather making friends of  
all kinds.  
A place where Old Man Troubles is always left  
behind.  
So give me the light of the campfire warm and  
bright.  
And give me some friends to sing with, I'll be  
here all night.  
For love is for those who find it and I've found it  
and I've found mine right here.  
Just you and I and the campfire and the songs  
we love to hear.  
Da Da Daaa Da Da Da Da Da Da  
So let the light of the campfire into your night.  
And let the dreams that we cherish remain in its  
light.  
For love is for those who find it, I found mine  
right here.  
Just you and I and the campfire and the songs  
we love to hear.

## Friends are Nothing

Friends are nothing 'til they  
Laugh together  
They must laugh all day  
They must laugh the night away  
They must laugh, together, they must laugh.

*(Sing again replacing the underlined word with  
each of the following to make a new verse)*

Sing  
Camp

*(Final verse)*

Friends are nothing 'til they  
Part with tear drops in their eyes  
As they go their separate ways

And they hope to meet again someday.

## Friendship Is

Friendship is a shining thing,  
A steady beam of light,  
A lantern on a lonely street,  
A song far through the night,  
The smile and the touch of a loving hand,  
A quiet moment on a hill,  
And oh, what a happy little child, bringing home  
a daffodil.

Friendship is a binding tie  
Of one soul to another  
A gentle soft relationship  
As children to father and mother  
Raindrops sparkling on an autumn leaf,  
A quiet moment on a hill  
And oh, what a happy little child, bringing home  
a daffodil.

Friendship is a happy thought  
A warmth in your heart  
Friends are those who understand  
And friends will never part.  
For two people very much in love,  
In a life that's never still.  
And oh, what a happy little child, bringing home  
a daffodil.

## Girl Scouts Together

Girl Scouts together, that is our song.  
Winding the old trails rocky and long.  
Learning our motto, living our creed.  
Girl Scouts together in every good deed.

Girl Scouts together happy are we,  
Friendly to neighbors, far o'er the sea.  
Faithful to country, loyal to home.  
Known as true Girl Scouts wherever we roam.

## Good Night Mr. Sun

*(Works as a dismissal song replacing "Mr. Sun"  
with the unit you are dismissing)*

Goodnight Mr. Sun it's time to go to your bed.  
The moon is shining over your head.  
And like a silver balloon it floats above the stars.

## The Hills (R)

The hills and their glorious heights,  
Surround us by day and by night.  
Sing praise to the hills.

## I Love the Mountains (aka Boom De Ah Da)

I love the mountains,  
I love the rolling hills,  
I love the flowers,  
I love the daffodils,  
I love the firesides  
When all the lights are low.

Boom de ah da,  
Boom de ah da,  
Boom de ah da,  
Boom de ah da.

## I'm On My Way

*(repeat song)*

I'm on my way,  
And I won't turn back,  
I'm on my way,  
And I won't turn back,  
I'm on my way,  
Great God I'm on my way.

I asked my sister,  
To come along,  
I asked my sister,  
To come along,  
I'm on my way,  
Great God I'm on my way.

If she won't come,  
I'll go alone....

I asked my brother,  
To pray for me...

## I Think You're Wonderful

*Chorus:*

I think you're wonderful  
When somebody says that to me,  
I feel wonderful  
As wonderful can be.  
It makes me want to say,  
The same thing to somebody new.  
And by the way I've been meaning to say  
I think you're wonderful too!

When each one of us feels important inside,  
Loving and giving and glad we're alive.  
Oh what a difference we're making each day,  
And all because someone decided to say...

*Chorus*

When we practice this phrase in the most  
honest way,  
We find something special in someone each  
day.  
We lift up the world one heart at a time,  
And it all starts by saying this one simple line....

*Chorus*

And by the way I've been meaning to say  
I think you're wonderful too!

## Like a Ship in the Harbor

Like a ship in the harbor  
Like a mother and child  
Like a light in the darkness  
I'll hold you awhile.  
We'll rock on the water.  
I'll cradle you dear.  
And hold you while angels  
Sing you to sleep.

## Linger

mmmMMM I'd like to linger,  
mmmMMM a little longer,  
mmmMMM a little longer here with you.  
mmmMMM it just the perfect night

mmmMMM it doesn't seem quite right  
mmmMMM that it should be my last with you.  
mmmMMM but come September  
mmmMMM we'll all remember  
mmmMMM our camping days and friendships  
true.

## Magic

When I was young, I thought the stars were  
made for wishing on.  
And every hole deep in a tree must hide a  
leprechaun.  
Old houses all had secret rooms if one could  
find the door.  
But who believes in magic anymore.

### *Chorus:*

Magic is the sun that makes a rainbow out of  
rain.  
Magic keeps a dream alive to try and try again.  
Magic is the love that stays when good friends  
have to leave.  
I do believe in magic, I believe.

When I grew up the grownups said someday I'd  
wake and find.  
That magic is a childish game I'd have to leave  
behind.  
Like clothes that would no longer fit or toys that  
I ignore.  
I'd not believe in magic anymore.

### *Chorus*

Although my childhood's far behind I've learned  
to my surprise.  
That magic did not fade away it wears a new  
disguise.  
A child, a friend, a smile, a song, the courage to  
stand tall,  
And love's the greatest magic of them all.

### *Chorus*

## Music Alone Shall Live (R)

All things shall perish from under the sky,  
Music alone shall live,

Music alone shall live,  
Music alone shall live,  
Never to die.

Sing when you're sorrowful  
Sing when you're gay  
Sing with the rising sun  
Sing when the day is done  
Singing is having fun  
Sing everyone.

## Oh, How Lovely Is The Evening (R)

Oh, how lovely is the evening  
Is the evening  
When the bells are sweetly ringing  
Sweetly ringing  
Ding dong, ding dong, ding dong.

## On My Honor

### *Chorus:*

On my honor I will try  
There's a duty to be done and I say aye  
There's a reason here for the reason above  
My honor is to try and my duty is to love

People don't need to know my name  
If I've done any harm then I'm to blame  
If I've helped someone then I've helped me  
And I opened up my eyes to see.

I've tucked away a song or two  
If you're feeling low there's one for you  
If you need a friend then I will come  
And there's plenty more where I come from.

### *Chorus*

Come with me where a fire burns bright  
We can ever see better by candle light  
And we'll find more meaning in a campfire's  
glow  
Then we'll ever learn in a year or so.

We've made a promise to always keep  
As night softly falls before we sleep

We're Girl Scouts together and when we're  
done  
We'll still be together and sing this song.

*Chorus*

## On the Loose

*Chorus:*

On the loose to climb a mountain  
On the loose where I am free.  
On the loose to live my life  
The way I think my life should be.  
For I've only got a moment,  
And the whole world left to see.  
I'll be looking for tomorrow on the loose.

Have you ever seen a sunrise  
Turn the sky completely red?  
Have you sat beneath the moon and stars,  
A pine bough for your bed?  
Have you sat and talked with friends  
Though a word was never said?  
Then you're just like me, and you've been on  
the loose.

*Chorus*

There's a trail that I'll be hiking  
Just to see where it may go.  
Many place yet to visit  
Many people yet to know.  
For in following my dreams,  
I will live and I will grow.  
On a trail that's waiting out there on the loose.

*Chorus*

For in search of love and laughter  
I am traveling 'cross this land.  
Never sure of where I'm going,  
For I haven't any plan  
And in time when you are ready  
Come and join me, take my hand.  
And together we'll share life out on the loose.

*Chorus*

In this world that I am traveling,  
I will think of you this way,

Remembering your smile,  
For it seems like yesterday,  
That we sat beneath the stars,  
And dreamed about today,  
We've come together and we are on the loose.

*Chorus*

As I sit and watch the sunset and the daylight  
softly fades,  
I am thinking of tomorrow and the friendships  
we have made.  
I will value them for always and I hope you'll do  
the same,  
And forever we'll explore life out on the loose.

*Chorus*

Now the moon is softly glowing and the stars  
are twinkling bright  
Our laughter and our friendship have cleared  
this cloudy night  
Come and join our flickering campfire, come  
and sing our happy songs  
And together we'll share life out on the loose.

*Chorus*

## One Day

*(repeat song)*

One day,  
Walking in the sun,  
We laughed,  
Friendship had begun.

Same day,  
Talking in the sun,  
Two hearts,  
Becoming one.

Two together,  
Two alone,  
Love each other,  
Find their way home.

One day,  
Forever long,  
Build a bond,  
Forever strong.

## One Tin Soldier

Listen, children, to a story  
That was written long ago,  
'Bout a kingdom on a mountain  
And the valley-folk below.

On the mountain was a treasure  
Buried deep beneath the stone,  
And the valley-people swore  
They'd have it for their very own.

### *Chorus:*

Go ahead and hate your neighbor,  
Go ahead and cheat a friend.  
Do it in the name of Heaven,  
You can justify it in the end.  
There won't be any trumpets blowing  
Come the judgment day,  
On the bloody morning after....  
One tin soldier rides away.

So the people of the valley  
Sent a message up the hill,  
Asking for the buried treasure,  
Tons of gold for which they'd kill.

Came an answer from the kingdom,  
"With our brothers we will share  
All the secrets of our mountain,  
All the riches buried there."

### *Chorus*

Now the valley cried with anger,  
"Mount your horses! Draw your sword!"  
And they killed the mountain-people,  
So they won their just reward.

Now they stood beside the treasure,  
On the mountain, dark and red.  
Turned the stone and looked beneath it...  
"Peace on Earth" was all it said.

### *Chorus*

## Rainbow Connection

Why are there so many songs about rainbows  
And what's on the other side?

Rainbow are visions, but only illusions,  
Rainbows have nothing to hide.  
So we've been told and some choose to believe  
it.

I know their wrong, wait and see...  
Someday we'll find it, the Rainbow Connection  
The lovers the dreamers and me.

Who said that every wish would be heard  
and answered when wished on the morning  
star?

Somebody thought of that and someone  
believed it.

Look what it's done so far.

What's so amazing that keeps us star gazing  
and what do we think we might see?  
Someday we'll find it, the rainbow connection.  
The lovers, the dreamers and me.

Have you been half asleep and have you heard  
voices?

I've heard them calling my name.

Is this the sweet sound that called the young  
sailors.

The voice might be one and the same.

I've heard it too many times to ignore it.

It's something that I'm supposed to be.

Someday we'll find it, the rainbow connection.

The lovers, the dreamers and me.

## Reason

There's a reason for every beginning  
A reason for every ending  
A reason for every meeting  
And a reason for every friend.

Time makes no difference,  
Whether a year or a minute  
Because...time makes no difference,  
I'm glad we're all here.

## Rise Up Old Flame (R)

Rise up old flame  
By thy light glowing  
Show to us beauty,  
Vision and joy.

## Rose (R)

Rose, Rose, Rose, Rose  
Will I ever see thee wed?  
I will marry at they will  
Sire, at thy will.

Ding, dong, ding dong,  
Wedding bells on an April morn,  
Carve your name on a moss covered stone  
On a moss covered stone.

Ah, poor bird,  
Take they flight,  
High above the sorrow  
Of this sad night.

Hey, ho nobody home,  
Meat nor drink nor money have I none  
Still I will be very merry,  
Hey, ho nobody home.

I won't be my father's Jack,  
I won't be my father's Jill,  
I will be a fiddler's wife,  
And fiddle when I will.

## Say When?

Say when, will we ever meet again,  
say when, will we ever meet again,  
say when, will we ever meet again,  
Say when, my friend, say when.

Say where, and I'll be right there,  
say where, and I'll be right there,  
say where, and I'll be right there,  
Say where, my friend, say where.

Say why, do we have to say goodbye,  
say why, do we have to say goodbye,  
say why, do we have to say goodbye,  
say why, my friend, say why.

Say when, will we ever meet again,  
say where, and I'll be right there,  
say why, do we have to say goodbye,  
Say when, say where, say why.

## Silver Paddles (aka Dip, Dip and Swing) (R)

My paddle's keen and bright,  
Shinning like silver,  
Swift as the wild goose flight,  
Dip, dip and swing.

My paddle's keen and bright,  
Shinning like silver,  
Follow the wild good flight,  
Dip, dip and swing.

*You can just sing the 2 verses or you can have 2  
groups alternate between the first group  
and:*

Dip, dip and swing,  
Dip, dip and swing,  
Dip, dip and swing,  
Dip, dip and swing.

## Sister Sister

Sister Sister, walk with me.  
I'll walk with you if you'll walk with me.  
I'll walk with you if you'll walk with me.  
Sister won't you walk, won't you walk with me.

Sister Sister, sing with me.  
I'll sing with you if you'll sing with me.  
I'll sing with you if you'll sing with me.  
Sister won't you sing, won't you sing with me.

Sister Sister, camp with me.  
I'll camp with you if you'll camp with me.  
I'll camp with you if you'll camp with me.  
Sister won't you camp, won't you camp with  
me.

Sister Sister, remember me.  
I'll remember you if you'll remember me.  
I'll remember you if you'll remember me.  
Sister don't forget, don't you forget me.

## Sparky's Song

Oh the time has passed so quickly and it seems  
like yesterday

Traveled far away from home to where I am  
today  
Thought that I was destined to be lost and all  
alone  
'Til I came among these people who made me  
feel at home.

*Chorus:*

And I, want to tell you just how much I love you  
and  
Tell you all the things that you should know like,  
Thank you for just being here and giving of your  
time  
And giving me the space I need to grow.

Well I felt at once a kinship, with my friends  
here by my side  
Felt I was accepted and I had no need to hide  
Knew that I could handle what the world would  
send my way  
Though some times were more challenging I'd  
never change a day.

*Chorus*

Well our story isn't over though we have to turn  
the page  
Take up where our paths left off and go our  
separate ways  
But a lifetime's worth of memories have been  
found in these few days  
If we never meet again I know I'll have to say...

*Chorus*

## Suitors

There are suitors at my door  
Oh alay-oh-pac-ee-ah  
Six or eight or even more  
Oh alay-oh-pac-ee-ah  
And my father wants me wed  
Oh alay-oh-pac-ee-ah  
Or at least that's what he said.  
Oh alay-oh-pac-ee-ah

*Chorus:*

Oh lay oh la  
Oh alay-oh-pac-ee-ah  
Oh lay oh la

Oh alay-oh-pac-ee-ah

So I told him that I will  
Oh alay-oh-pac-ee-ah  
When the rivers run uphill  
Oh alay-oh-pac-ee-ah  
Or when fish begin to fly  
Oh alay-oh-pac-ee-ah  
Or the day before I die.

*Chorus*

Irrigation runs uphill  
Oh alay-oh-pac-ee-ah  
Doesn't that give you a thrill?  
Oh alay-oh-pac-ee-ah  
Flying fish can really fly  
Oh alay-oh-pac-ee-ah  
And tomorrow I may die.  
Oh alay-oh-pac-ee-ah

*Chorus*

Now I have my own true love  
Oh alay-oh-pac-ee-ah  
Sailing o'er the deep blue sea  
Oh alay-oh-pac-ee-ah  
And when he returns to me  
Oh alay-oh-pac-ee-ah  
Then married we will be.  
Oh alay-oh-pac-ee-ah

*Chorus*

## Taps (solemn version)

Day is done, gone the sun,  
From the lakes, from the hills, from the sky.  
All is well, safely rest,  
God is nigh.

Fading light, dims the sight,  
As the star gems the sky, gleaming bright.  
From afar, drawing nigh,  
Falls the night.

Sun has set, shadows come,  
Time has fled scouts must go to their beds.  
Always true, to the promise  
That they made.

Thanks and praise, for our days  
'neath the sun, 'neath the moon, 'neath the sky  
As we go, this we know,  
God is nigh.

## **This Pretty Planet (R)**

This pretty planet, spinning through space  
Your gardens, your harbors, your holy place

Golden sun going down  
Gentle blue giant spin us around

All through the night  
Safe 'til the morning light

## **Today**

*Chorus:*

Today while the blossoms still cling to the vines,  
I'll taste your strawberries,  
I'll drink your sweet wine.  
A million tomorrows will all pass away,  
'ere I forget all the joys that were mine today.

I'll be a dandy and I'll be rover  
You'll know who I am by the song that I sing.  
I'll feast at your table  
I'll sleep in your clover  
Who knows what tomorrow will bring.

*Chorus*

I can't be contented with yesterday's glories  
I can't live on promises winter to spring  
Today is my moment and now is my story  
I'll laugh and I'll cry and I'll sing.

*Chorus*

I'm just as restless as wind blowing westward  
I can't stay in any one place for too long.  
I'll love you today, but I'll leave you tomorrow,  
By morning you'll know I'll be gone.

*Chorus*

## **We Come From the Mountains**

We come from the mountains,  
All of us the mountains,  
Go back to the mountains,  
And turn your world around.

We come from the mountains,  
Go back to the mountains  
And turn your world around.

*(Change "mountains" to other names to use it  
as a dismissal song or use these:)*

Ocean  
Fire  
Sky  
Meadow  
Forest  
Redwoods

## **Wearing My Long-Winged Feathers (R)**

*Chorus:*

Wearing my long winged feathers as I fly  
Wearing my long winged feathers as I fly  
I circle around  
I circle around ...

The boundaries of the earth  
The boundaries of the sky

*Chorus*

The valleys of the earth,  
The planet of my birth.

## **Weave**

Weave, weave, weave us together,  
Weave us together in friendship and love.

## **Whenever You Make a Promise**

Whenever you make a promise,  
Consider well its importance,  
And when made,  
Engrave it upon your heart.

## **White Coral Bells (R)**

White coral bells upon a slender stalk  
Lilies of the valley line my garden walk.  
Oh don't you wish that you could hear them  
    ring?  
That will happen only when the fairies sing.

## **Who Can Sail?**

Who can sail where there is no wind  
With no oars to be rowing?  
Who can sail far away from a friend  
With no tears a flowing?

I can sail where there is no wind,  
With no oars to be rowing.  
But I can't sail far away from a friend  
With no tears a flowing.
