A Note about clothing and equipment for the Horseback Riding adventure!

We are looking forward to a great week at camp, including an exciting 2-hour horseback ride at the beach. Seahorse Ranch has asked us to remind you and your daughter about one of their rules. **"While on horseback riders MUST wear long pants, which completely cover the ankles. Riders MUST also wear completely enclosed shoes; No open-toes, heels, or top of foot (foot needs to be completely enclosed in the shoe). Also, no heel higher than 1/2 inch."** Helmets are mandatory for all riders under the age of 18, and will be provided. These vendor rules are for everyone's safety.

To ensure that our vendor is completely prepared for our expedition, they have asked us to supply them with each rider's height and weight.

Please make sure your daughter brings/packs long pants and closed shoes for her ride. Also, please include on the medical update form that your daughter brings with her to camp; her height and weight.

Don't hesitate to call us at (925) 321-0490 if you have any questions.

See you soon at camp!
